

The background is a vibrant, abstract composition of organic, flowing shapes in shades of pink, green, and beige. These shapes vary in size and form, some resembling elongated teardrops or wavy lines. Scattered throughout are solid circles in the same color palette. A small, stylized pink fish with a black eye and a smiling mouth is positioned to the left of the text. Several small, light beige circles of varying sizes are clustered near the fish, suggesting bubbles or movement. The overall style is playful and modern, with a hand-drawn aesthetic.
